To the Board of Public Works of the City of Fort Wayne:

Gentlemen:

The undersigned petitioner, General Electric Company, represents that your petitioner owns and occupies all the real estate abutting on the north side of the first alley north of Swinney Avenue extending east from College Street to a point 16 feet east of the west line of Lot 32, Edsall's Addition to the City of Fort Wayne; that it owns and occupies Lots 30 and 31, Edsall's Addition which abut said alley on the south, said Lot 31 abutting on the west the 16 foot north and south alley opened in Lot 32, Edsall's Addition by your Declaratory Resolution No. 726-1940; that your petitioner owns and occupies all the property on Swinney Avenue from the east line of said north and south alley to Broadway Street.

Your petitioner would show that it desires to add improvements to said Lots 30 and 31, Edsall's Addition which will be exposed to said east and west alley and which will prevent your petitioner from providing, in the present emergency, adequate and necessary protection for the new building and contents to prevent sabotage and damage to it as well as to the other buildings of your petitioner on said alleys.

Your petitioner further represents that if the portion of said east and west alley from its eastern end, towit: 16 feet east of the west line of Lot 32, Edsall's Addition, west to a point 16 feet east of the west line of Lot 30, Edsall's Addition, is vacated and the 16 foot north and south alley as heretofore opened in Lot 32, Edsall's Addition is vacated and an alley 16 feet wide is opened on the west 16 feet of Lot 30, Edsall's Addition and extending south from said east and west alley to Swinney Avenue your petitioner will be enabled to give the required protection to its said buildings by fencing; that the public will not be denied the use of the remainder of said east and west alley but will have free use of it and free access to it at either end; that traffic in said alley will enter or leave it on Swinney Avenue as it has been doing in the present north and south alley.

Your petitioner further represents that it will open and pave the new alley at its own expense.

WHEREFORE, your petitioner prays that the first east and west alley north of Swinney Avenue be vacated from its east end, to wit: 16 feet east of the west line of Lot 32, Edsall's Addition, to a point 16 feet east of the west property line of Lot 30, Edsall's Addition, and

Also the north and south alley as opened in the west 16 feet of said Lot 32, Edsall's Addition be vacated.

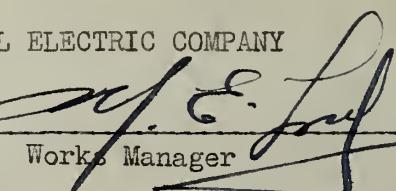

Your petitioner further prays that an alley 16 feet in width be opened on the west 16 feet of Lot 30, Edsall's Addition from Swinney Avenue to said east and west alley with proper reservations for access to all utility installations, such as sewers, drains, water pipes, gas pipes and electric installations maintained upon, over and under said vacated alleys or portions thereof for the purpose of maintaining and repairing the same.

All of which is respectfully submitted.
